RICHARD CARDINAL CUSHING
1895 - 1970

For half a century Richard James Cushing has been a man of dedication. He has served God's people in a most special and selfless way, and this has made him a man loved and honored by many people of all faiths, all generations.

Now our Shepherd's journey has come to an end. We have lost a noble leader, but let us rejoice that he has achieved immortality. He has received his just and eternal reward in the bosom of the Almighty.

And so to you, Richard Cardinal Cushing, who founded our school community, as your last and best, we, the class of 1971, humbly dedicate our yearbook.

These verses read to us by Jim Logan, we think, reflect the life of Richard Cardinal Cushing.

Can you say in parting
Of the day that's slipping past
That you helped a single person
Of the many you have passed?
Is a single soul rejoicing
Over what you've done as such
And can someone whose faith is fading
Now with courage look ahead?
Did you waste the day or lose it,
Was it well or poorly spent,
Did you leave a ray of hope
Or a scar of discontent,
And as you close your eyes in slumber,
Do you think that God might say,
"You've made the world much better
For the life you've lived today?"
